LOCAL CLUBS

Northern – We have 15 clubs and ECs lined up and ready to go. Club contracts should be sent next week.

Midwest – We have 15 clubs and ECs lined up and ready to go. Club contracts should be sent next week.

Southeast – I have a total of 21 clubs that have applied in the Southeast, 10 of which come from Florida. I can narrow this down by keeping only 4 Florida clubs and making the Southeast 15 clubs strong. Let me know which cities you prefer.

Southwest – I never got a call from New Mexico so I do not think they are interested. I did get word that there is a club in Lawton, OK that should replace Wichita Falls (they across the border from each other). I am waiting for their application.

West Coast – We need to cut 2 clubs from the West Coast region.

EVENT COODINATORS
North and Midwest ECs are ready to go with air and hotel for Chicago. I am getting a hold of selected ECs in other regions if I have a hunch we are going to use their club.
